

ENVIRONMENTAL POLICY

Sensible Locums Ltd considers respect for the environment an important business responsibility and encourages all employees to take an interest in the protection of the environment.

Sensible Locums Ltd will therefore:

- Ensure that the company complies with appropriate legislation and regulations.
- Identify and evaluate any environmental effects associated with the provision of Allied Health Professions and Healthcare Scientist Staff to the NHS and Private Hospitals in order to control and reduce any environmental impact.
- Ensure the responsible use of natural resources and the minimisation of waste and energy consumption.
- Implement the training of employees to ensure that they are environmentally aware and that neither they, the community nor the environment are exposed to harm as a result of Sensible Locums Ltd operations.

Sensible Locums Ltd is committed to the continual improvement of its performance by the monitoring of environmental issues and through involvement with customers, suppliers, regulatory authorities and the community.
